Section IV - GEOG 351-3, 361-3, 362-3, 369-3, 381-3,

RATIONALE: The changes proposed will enrich and enlarge Section III of Division A, which is one of the sections from which all Geography Majors and Honors students must take at least one course. All courses now in that section are concerned in various degrees with ~~sociological~~ as well as cultural geography.

The addition of GEOG 346, the new course, and GEOG 375, now included in the miscellaneous section, will not impair that consistency and will enlarge the options of the department's Majors and Honors students for their necessary studies in Section III.

Note: Discontinuation of GEOG 342 was approved by Senate November 7, 1977.
