MEMORANDUM

S77-150

To SENATE

From Senate Committee on

Undergraduate Studies

Subject Addition of Courses to the
Canadian Studies Program

Date November 9, 1977

Action taken by the Senate Committee on Undergraduate Studies at its meeting on Tuesday, November 1, 1977 gave rise to the following motion:

MOTION

That the addition of courses to the Canadian Studies Program, as set forth in S.77-150, be approved and recommended to the Board for approval.

NOTE - A question was raised about the appropriateness of the expression "total Canadian content" and the Committee noted that courses are recognized as fulfilling that requirement only when they are taught by a faculty member named as associated with the Program. The term "total" is no doubt too strong but is used when the primary focus of a course involves Canadian content.
