Action taken by the Senate Committee on Undergraduate Studies at its meeting on August 15, 1978 gives rise to the following motion:

### Motion

"That Senate approve, and recommend approval to the Board of Governors, as set forth in S78-88 the following new courses:

|            |               |
|------------|---------------|
| KIN. 351-0 | Practicum I   |
| KIN. 352-0 | Practicum II  |
| KIN. 451-0 | Practicum III |
| KIN. 452-0 | Practicum IV  |

and that with the introduction of these new courses KIN. 450-5 be discontinued."

Note: Subject to the approval by Senate and the Board of these courses the Senate Committee on Undergraduate Studies has approved waiver of the time lag requirement in order that these courses may be offered in the Spring semester 79-1.

These changes establish four zero credit practicum courses in Kinesiology, and discontinue a practicum credit course, for Co-operative Education Program purposes and are consistent with the principles earlier approved by Senate.
