Re: French Canadian Studies Certificate Program credit for
CN.S 390/391-3 and CN.S 490/491-3.
I.S.C. 80-6.

Attached is a proposal from the Centre for Canadian Studies concerning the above-noted "empty box" courses. From time to time these courses are used for French Canadian topics, and when such is the case it would appear appropriate that credit be given for them in the French Canadian Studies Certificate Program, with the approval of the Director of the Centre for Canadian Studies.

The above proposal was approved by the Faculty of Interdisciplinary Studies Undergraduate Curriculum Committee at a meeting held on May 13th, 1980. Would you please place this item on the next agenda of the Senate Committee on Undergraduate Studies for that committee's consideration.

--	--

The new Canadian Studies curriculum has two sets of "empty box" courses (CN.S 390/391-3 and CN.S 490/491-3) which may be used for French Canadian topics from time to time. When that is the case it is appropriate that these courses be given credit in the French Canadian Studies Certificate Program. The proposed change is shown on the attached sheet (changed sections marked in the margin.)
