S.80-96

MEMORANDUM

To SENATE

From SENATE COMMITTEE ON UNDERGRADUATE STUDIES

Subject AREA STUDIES PROGRAMS

Date 1980-06-18

MOTION:

That Senate delegate to the Senate Committee on Undergraduate Studies authority to approve revisions in the list of courses recognized for inclusion in an area studies program.

Rationale:

It is standard practice for the Director or Coordinator and the Steering Committee of an area studies program periodically to review course offerings and proposed new courses and to identify those with content appropriate for inclusion on an approved list. Revisions to such lists are then recommended to a Faculty curriculum committee, to SCUS, to Senate, and to the Board for approval. The recommendation is to conclude such approval at the level of the appropriate Senate Committee.
