RATIONALE:

In the discussions of changes to the Faculty of Arts Group Requirements which were made in 1975 the Committee discussed requiring at least 30 hours outside the Major or Honors department for a B.A. degree. However, in its written form, the regulation continued to read program. The present Committee agreed that requiring 30 hours outside the Major or Honors department was in keeping with the philosophy of breadth espoused by the Faculty in its present regulations.

p. 91 GENERAL PROGRAM

*A department may designate up to 8 credit hours of upper division courses offered by other departments, as being acceptable in fulfilling part of this requirement.

TO: *A department may designate up to 8 credit hours of *program related* upper division courses offered by other departments, as being acceptable in fulfilling part of this requirement.

p. 92 HONORS PROGRAM

*A department may designate up to 12 credit hours of *program related* upper division courses offered by other departments, as being acceptable in fulfilling part of this requirement.
