Subject Requirements of FPA. -220

From Iris Garland, Chairman Curriculum

Committee Centre for the Arts

Date September 10, 1980

I would like to inform you that recent changes due to the new Dance Major have made FPA. 220-3, a course open by audition only.

You may wish to adjust your Kinesiology requirements (p.272 University Calendar) accordingly. I suggest that FPA. 120-3, and FPA. 121-3, are more appropriate to the Kinesiology students interested in entering the P.D.P. These are open entry courses.

One of your majors, Brian Mortinson, was ineligible for entry into FPA 220 which makes it impossible for him to complete his requirements.
