Date..... Nov 5, 1980

Attached is a New Course Proposal Form for a prerequisite change for SA 451. The title of this course was changed in the 1980-81 calendar from "Selected Sociological Texts-II" to "Selected Issues in Anthropology" but the prerequisite was inadvertently left unchanged at that time. It is now being changed to SA 370, which is a prerequisite course for all upper division anthropology courses.
