

SIMON FRASER UNIVERSITY

S.82-2

MEMORANDUM

To..... SENATE

From..... SENATE COMMITTEE ON ACADEMIC PLANNING/
SENATE COMMITTEE ON UNDERGRADUATE STUDIES

Subject..... PROPOSED PROGRAM FOR EXTENDED STUDIES
DIPLOMA IN CRIMINOLOGY

Date..... DECEMBER 17, 1981

Action taken by the Senate Committee on Academic Planning at its meeting on December 9, 1981, and by the Senate Committee on Undergraduate Studies at its meeting of December 1, 1981 gives rise to the following motion:

"That Senate approve and recommend approval to the Board of Governors, as set forth in S.82-~~2~~, the proposed program for an Extended Studies Diploma in Criminology."

It was observed that in adding in the title, "in Criminology" technically this would be a new program and would require approval. The proposal would lead to some increase in effectiveness and efficiency in the course offerings and related enrolments. The identifier is expected to make the document of greater use to those who pursue the program.

EXTENDED STUDIES DIPLOMA PROGRAM IN CRIMINOLOGY

The Extended Studies Diploma Program in Criminology through regular on-campus course offerings, the DISC format, or a combination of the two modes would be offered to those persons who have previously completed a bachelor's or higher degree. It will be of special interest to those who wish to fulfill or change career goals, to professionals who seek mid-career advancement through up-grading and expanding their knowledge of criminology and to those who wish to develop their general education background.

Diploma requirements at Simon Fraser University would include an undergraduate degree and thirty semester hours of upper division courses, at least fifteen in Criminology. In addition, two lower division prerequisites are required. These include CRIM 101-3, Introduction to Criminology and CRIM 131-3, Introduction to the Criminal Justice System.

At least five of the Criminology upper division courses below are required for the Extended Studies Diploma Program in Criminology. These courses constitute the formal structure for this program:
