MEMORANDUM

To..... SENATE

.....

Subject..... CRIMINOLOGY - PROPOSAL TO INTRODUCE
CHANGE OF LOWER LEVEL ELECTIVE
STRUCTURE IN CRIMINOLOGY FOR SPRING
1983-1

From..... SENATE COMMITTEE ON UNDERGRADUATE STUDIES

.....

Date..... September 15, 1982

Action undertaken by the Senate Committee on Undergraduate Studies at its meeting of September 14, 1982 gives rise to the following motion:-

MOTION:

"That Senate approve and recommend approval to the Board of Governors, as set forth in S.82-97 , that the change in the lower level elective structure for Criminology be made effective in the Spring semester 1983-1."

Senate and the Board of Governors have approved the change proposed, but as there was not direct indication of effective date that normally would be for September, 1983 although the intent of the Department was for September, 1982 but too late for inclusion in calendar. This motion is designed to provide earlier implementation to improve the program.

Subject..... AGENDA ITEM

Date..... June 14, 1982

The Criminology U.C.C. is requesting that the next meeting of the F.I.D.S. Curriculum Committee consider and request from S.C.U.S. that the previously approved addition of a lower level Group A elective be made effective in the Spring 1983 semester.

CHANGE OF LOWER LEVEL ELECTIVE STRUCTURE

Nature of Proposed Change. The number of Group A elective courses would be increased by one course for a total of two Group A electives. The number of general electives would be reduced by one course yielding a total of five general electives. Overall, the total of lower level course types would be as follows:

Group A:	6 required + 2 elective courses
Group B:	5 required + 2 elective courses
Other:	5 elective courses

Rationale: It was the intention of the Criminology U.C.C. to have the above change formalized in the 1982-83 calendar. However several last minute changes relating to the statistics and other requirements led to an oversight in this regard.

In order to provide the necessary breadth of lower level Group A optional courses, it is our intention that criminology students be required to take one additional Group A elective.
