1. APPROVAL OF THE AGENDA

The agenda was approved as distributed.

2. APPROVAL OF THE MINUTES

The Minutes of the Open Session of October 1, 1984 were approved as distributed.

3. BUSINESS ARISING FROM THE MINUTES

In reply to an inquiry concerning the President's remarks and PACUP recommendations, the Chairman indicated that intent was to bring to Senate through the full committee process a mission statement in which many of the recommendations would appear but which would nevertheless be a statement from the President.

4. REPORT OF THE CHAIRMAN

1) Paper S.84-52 - Annual Report

Senate received, for information, the Financial Statement for the fiscal year ending March 31, 1984. E. Scott, Vice-President Finance, was not called on to provide any further information or clarification.

11) Update on President's Advisory Committee on University Priorities

Referring to the report of the President's Advisory Committee on University Priorities and the set of presidential recommendations which had been publicly announced to the University community, the Chairman indicated that a high level of consultation, discussion and debate was taking place at all levels and in all areas of the University.

G. Ivany advised that a number of the recommendations in the form of motions were on the agenda for the next meeting of the Senate Committee on Academic Planning which was scheduled for November 7th. However, intent was to hold a general discussion of process and procedure and table all motions to a special meeting of SCAP on November 14th which would allow for input from two general Faculty meetings (Arts and Interdisciplinary Studies) as well as from interested parties wishing to speak to SCAP. It is hoped that the motions can be acted upon at that time and proceed to the December 3rd meeting of Senate.

It was stressed that the matters coming to SCAP refer to the reorganization recommendations in the President's statement and do not deal with budget cuts or discontinuation of programs.

The Chairman reported that the Senate Committee on University Budget is actively meeting and is in the process of forwarding recommendations to the President and Senate was reminded that the Chairman of SCUB was well disposed to receive input from interested Senators.

iii) Presentation by Fine and Performing Arts Student Action Committee

The Chairman introduced the representative of the Fine and Performing Arts Student Action Committee, D. McBeth, who proceeded with a presentation to Senate on behalf of the Centre for the Arts. He briefly reviewed the tradition of Simon Fraser University to allow innovative change and new disciplines to develop and pointed out the relevance and quality of the program itself. He strongly opposed the proposed budget cut and pointed out some of the consequences which would result. Continued support and commitment to maintaining a program of academic excellence was requested from Senate.

iv) Open University Consortium

Senate was informed that the following individuals have been nominated by the President to the Academic Council of the Open University Consortium: Professor Curt Griffiths, Criminology; Professor John Dickinson, Kinesiology; Professor Jerry Zaslove, English; and Professor Stan Shapson, Education.
