

SIMON FRASER UNIVERSITY

S. 85-7

MEMORANDUM

To..... Members of Senate

From..... Office of the Dean of Graduate
Studies

Subject..... Graduate Studies - General Regulations

Date..... February 7, 1985

Action undertaken by the Executive Committee, Senate Graduate Studies Committee at its meeting of January 21, 1985 and action undertaken by the Senate Graduate Studies Committee at its meeting of February 4, 1985, gives rise to the following motion:-

MOTION:

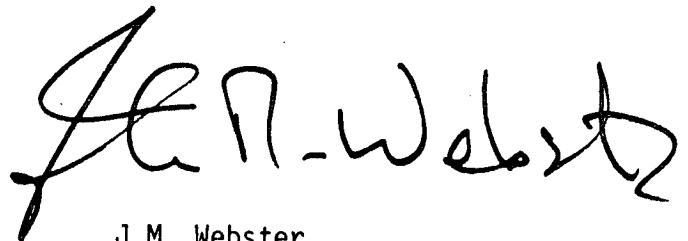

"That Senate approve and recommend approval to the Board of Governors, as set forth in S.85-7, the proposed change in Section 1.7.2 of the Graduate Studies - General Regulations"

FROM: One-half of the minimum must be taken at SFU

TO: One-half of the minimum course work of the departmental degree requirements must be taken at SFU

RATIONALE:

"The minimum" referred to in the current General Regulations is in the constraint for transfer credit within either the twelve (12) or twenty (20) semester hours. However, as many departments have varying degree requirements higher than the University requirement, it was felt that the minimum should refer to one half of the departmental degree requirement to permit a student to transfer the maximum amount of coursework permitted and to have equitability across the departments.
