MEMORANDUM

To..... SENATE.....
.....
Subject..... S.A.B. Annual Report 1984.....

From..... N. Heath.....
..... Secretary.. S.A.B.....
Date..... 85/02/20.....

The Senate Appeals Board met 12 times in 1984. The membership was:

	L. Hissey	Chair - appointed by SUAB May/84 to replace S. Birge
From SUAB	D. Ryeburn	(Alt. G. Rheumer)
From Senate	C. Crawford	(Alt. J. Ross, replacing B. Schachter June/84)
From Student Forum	T. Brown K. Whyte*	(Alt. S. Watkins) (Alt. D. Magnone)

*K. Whyte appointed by Student Society in October, 1984, to fill vacancy created on the Board with L. Hissey's appoint as Chairperson.

1984 was an even busier year than 1983 for the Senate Appeals Board. Strong pressures on students to maintain course loads and grade point averages continued to give rise to many appeals for retroactive withdrawal. In addition, departmental restrictions on third attempts at courses have led students to seek withdrawals from earlier attempts; a trend which the Board finds undesirable.

In the light of the difficulty which many students may have in seeking employment, the Board has advised a number of students who have been required to withdraw from the University to attempt transfer courses at a community college for possible credit at Simon Fraser University if and when they are re-admitted.
