

MEMORANDUM

To: Senate

From: Senate Committee on
Undergraduate StudiesSubject: Faculty of Arts - Deletion
of courses not offered

Date: December 11, 1985

Senate Paper S.73-125 provides that any course not offered within a six semester period be deleted from the Calendar unless adequate justification for retaining the course is presented, with SCUS charged with reviewing those courses under this ruling and making recommendations to Senate.

The Registrar advised Faculty Deans of those courses which fell under the above provisions and requested a response to the notice of intention to delete the courses. The responses were considered by SCUS at its meeting on December 10, 1985. SCUS approved the department/faculty recommendations for deletion. In a number of other cases, SCUS agreed that there was adequate justification to retain the course for the present; summary is attached.

MOTION:

"That Senate approve and recommend approval to the Board of Governors, that the following courses be deleted:

ARC. 473 Regional Studies in Archaeology: Africa
HIST 382 European Nationalism in Music and Opera
PHIL 243 Historical Studies in the Philosophy of Science"

FOR INFORMATION - COURSES TO BE RETAINED

In the following instances, SCUS agreed that the response received was sufficient justification to retain the course for the present, with the assurance that those courses being retained while the curriculum is being actively reviewed, will be subject to scrutiny in one year (*denotes such courses)
