MEMORANDUM

To: Senate

From: Senate Committee on
Academic PlanningSubject: Deletion of Courses
Not Offered

Date: February 17, 1989

Senate Paper S.73-125 provides that any courses not offered within a six semester period be deleted from the Calendar unless adequate justification for retaining the course is presented, with SCUS charged with reviewing those courses under this ruling and making recommendations to Senate.

The Registrar advised Faculty Deans of those courses which fell under the above provisions and requested a response to the notice of intention to delete the courses. The responses were considered by SCUS at its meeting on December 13, 1988 and by SCAP at its meeting of February 15, 1989. SCUS approved the department/faculty recommendations for deletion. In a number of other cases, SCUS agreed that there was adequate justification to retain the course for the present.
