

# SIMON FRASER UNIVERSITY

Office of the Vice-President, Academic  
MEMORANDUM

S.92-19

As amended by  
Senate Mar 2/92

TO: Senate  
FROM: J.M. Munro, Chair  
Senate Committee on Academic Planning  
RE: Undergraduate Enrolment  
Targets 1992/93  
DATE: February 12, 1992

The Senate Committee on Academic Planning has recommended the following actions for consideration by Senate:

1. Motion on FTE Enrolment Targets for 1992/93:

"That Senate approve and recommend to the Board that the 1992/93 undergraduate enrolment target be <sup>150</sup>180 FTE above the 1991/92 undergraduate enrolment as outlined in Dr. Wattamaniuk's memo of 29 January, 1992. If the funded Access Program enrolment is less than 500 FTE, then the 1992/93 enrolment target will be reduced in conformity with the relationship:

Funded Access Enrolment minus <sup>370</sup>320 = 1992/93 Undergraduate Enrolment Increase Target

If the funded enrolment target is reduced below <sup>130</sup>180 FTE, the admission targets specified in motions 2 and 3 shall be reduced accordingly."

2. Motion on Admission Targets for 1992/93:

"That Senate approve and recommend to the Board the admission targets for 1992/93 as outlined in Dr. Wattamaniuk's memo of 29 January, 1992."

3. Motion on Admission Targets by Basis of Admission for Fall 1992 and Spring 1993:

"That Senate approve and recommend to the Board the admission targets by admission category for Fall, 1992 and Spring, 1993 as outlined in Dr. Wattamaniuk's memo of 29 January, 1992, and further, that SCAP be delegated authority to adjust these targets based on the enrolment experience in the Summer, 1992 and Fall, 1992 semesters, consistent with the University's commitment to the Access funding program."

4. Motion on Admission to the Faculty of Science for 1992/93:

"That Senate approve and recommend to the Board the admissions targets for admission to the Faculty of Science for Fall, 1992 and Spring, 1993 as outlined in Dr. Wattamaniuk's memo of 29 January, 1992".
