Re: **Graduate Course Number** Date: February 11, 1992

Due to an oversight we didn't submit a graduate course proposal form for the new field examinations option in our M.A. program. Originally we intended to substitute the field examinations option for the previously existing extended essays (998) into the same course no. 998 but we now realize that this would create other problems for students. We request that 998 be dropped from the calendar and be replaced by "M.A. Field Examinations: 999".
