

SIMON FRASER UNIVERSITY

Memorandum

To: Senate
From: Senate Committee on Agenda and Rules
Date: February 22, 1994
Subject: Senate Membership - Non-Faculty Sessional Teaching Staff

The TSSU has formally requested that two seats on Senate be established for the members of the university's non-faculty sessional teaching staff.

Part 7, Section 34(2)(l) of the University Act states that Senate shall be composed of "additional members the senate may determine without altering the ratio set out in paragraphs (g) and (h).

This request by TSSU for representation on Senate was brought to the attention of SCAR at today's meeting and discussed. The following action was taken by SCAR:

Moved by L. Boland, seconded by P. Percival

"to recommend to Senate that no action be taken on the request for representation on Senate for non-faculty sessional teaching staff"

Motion Carried

Dr. J. Munro requested that his abstention be recorded

The individuals among the University's non-faculty sessional teaching staff, by definition, do not have continuing appointments.

SCAR's action does not preclude the formal consideration of the proposal by Senate, provided that the matter be placed as a notice of motion before Senate, if it is brought forward by a Senator and duly seconded.
