MEMORANDUM

To: SCUS

From: Ron Heath
RegistrarSubject: Minors at University College
of the Fraser ValleyDate: October 31, 1995

When the initial agreements with the University College of the Fraser Valley were established with the Faculty of Arts, the degree required the completion of two Extended Minors. (Extended Minors comprise the lower division requirements for a Major and the upper division requirements for a Minor.) Recently, at the request of UCFV, the University approved two majors (both already were being offered as Extended Minors); a request to offer Majors in the three remaining Faculty of Arts subject areas is under review.

Given the structure of the Extended Minors, it will be relatively easy for some students who have been working towards the degree with two Extended Minors to actually complete the requirements for a Major in one of the subjects and a Minor in the other subject. Since the requests for approval of Majors are either approved or in progress, we should also consider granting approval for Minors.

Motion:

"That SCUS approve and recommend to Senate the approval of Minors in those subjects that have been approved with Extended Minors in the BA Program at the UCFV".
