Re: M.Ed. in Arts Education

We would like to make a change to the program requirements for the M.Ed. in Arts Education. We would like to change one of the electives to a required third course in the curriculum areas. This change would make for a more coherent program, would ensure larger enrollments in the curriculum area courses, and would lessen the pressure from students for Directed Readings courses to fulfill the elective requirements.

Current requirement:

Foundational Studies (all of)

EDUC 848-5 Ideas and Issues in Aesthetic Education
EDUC 849-5 Artists, Society and Arts Education
EDUC 850-5 Creativity and Education

Curriculum Areas (two of the following):

EDUC 852-5 Education and Dramatic Art
EDUC 868-5 Curriculum Theory and Art Education
EDUC 869-5 Music Education as Thinking in Sound

Electives (two courses):

Two courses from Education

OR

One course from Education and one course from the School for the Contemporary Arts

Revised requirement:

Foundational Studies (all of)

/.

EDUC 848-5 Ideas and Issues in Aesthetic Education
EDUC 849-5 Artists, Society and Arts Education
EDUC 850-5 Creativity and Education

Curriculum Areas (all of the following):

EDUC 852-5 Education and Dramatic Art
EDUC 868-5 Curriculum Theory and Art Education
EDUC 869-5 Music Education as Thinking in Sound

Elective (one course):

**One course from Education or from the School for the
Contemporary Arts**
