MEMORANDUM

To: Senate
From: Alison Watt, Secretary, SCAR
Subject: Senate meeting time survey
Date: 22 September, 1998

For Information

At the request of SCAR, I prepared and sent out via email a survey about the Senate meeting time.

39 valid responses were received. 24 respondents felt that the 7pm meeting time for Senate was suitable [17 of these respondents are or had been Senators], 14 respondents felt it was an unsuitable time [7 of these respondents are or had been Senators].

SCAR noted that the evening time garnered more support than the afternoon time and decided not to recommend any change to the time of Senate meetings at the present time.

A handwritten signature in black ink, appearing to be 'Alison Watt', is located in the lower right quadrant of the page.
