Report to Senate from the
Committee to Review University Admissions
2000 – 2001 Academic Year

The Committee to Review University Admissions (CRUA) reviews appeals from both graduate and undergraduate applicants who feel aggrieved by the decision of the University to apply a particular admission, readmission or transfer credit policy in his or her specific case when special circumstances are present. An individual who wishes to appeal must submit the appeal in writing, specifying the special circumstances to be considered. All appellants have the option of appearing for an in-person hearing at a CRUA meeting or of having a representative appear on their behalf. In 2000 CRUA held seven meetings: three for Fall, two for Spring, and two for Summer. In 2001 the Committee held seven meetings: three for Fall, two for Spring, and two for Summer.

A total of 89 appeals were heard by the Committee for the 2000 academic year: 48 for the Fall, 15 for the Spring, and 26 for the Summer. Of all appeals heard 18 were sustained and 71 were denied. For the 2001 academic year: a total of 57 appeals were heard. 36 in the Fall, 15 in the Spring, and 6 in the Summer. Of all appeals heard 18 were sustained and 39 were denied. On occasion CRUA may deny a student but give conditions under which a student may be admitted to a future semester. All numbers included in this report and the attached tables reflect decisions made at the hearings and do not include subsequent admissions of students based on criteria set by CRUA.

The Committee received one appeal from a student for graduate programs in 2000-2001.

There are two charts attached. The first reports by semester the number of appeals received and the decisions made since Spring 1999. The second chart reports the academic standings of those appellants admitted by CRUA.
