Annual Report for 2005

The Board considers cases wherein a student or former student feels aggrieved by the decision of a faculty, department or other administrative unit relating to registration in courses, withdrawal from the University, eligibility for graduation, approval to a program, or matter relating to academic standing when special circumstances are present.

SAB meets bi-monthly or when there is sufficient business to warrant a meeting. The Senate Appeals Board met four times in 2005 reviewing a total of 29 appeal cases.

 Lee Hanlan, Chair, SAB

 W. Ronald Heath, Secretary, SAB

Dates of meetings in 2005:

Current SAB Membership:

Procedure:

Each appeal is first screened to determine whether special circumstances are present. All appeals are first heard in-camera (written form only) and some are resolved at that stage. If the SAB is unable to give a positive judgment at Stage 1, and if the student has requested an in-person hearing, the case is decided at a hearing at which the student or a representative is able to present further evidence and answer questions (Stage 2). Most hearings last about 20 – 30 minutes.

Summary of Appeal Decisions:

Appeals Sustained	6
Appeals Denied	3 (2 at Stage 1, 1 at Stage 2)
Appeals Not Heard	13
Appeals Incomplete	7 (5 deferred, 2 proceeding to Stage 2)
