TO	Senate
FROM	Alison Watt, Director, University Secretariat
RE	Motion requested by Simon Fraser Student Society
DATE	2 September 2008

Senator Joe Paling forwarded the attached motion which was considered by the Senate Committee on Agenda and Rules today. After consideration, the committee agreed that a motion could go forward to Senate and suggested that the wording be amended so that it was consistent with similar motions previously approved by Senate. The suggested rewording of the motion is:

That Senate requests that instructors do not penalize students academically for their participation in a protest on 1 October 2008 against the funding cuts the province has imposed on SFU.

A similar motion was considered at the January 2007 meeting of Senate concerning a Day of Action in February 2007.
