RATIONALE: In 2010~11 TechOne will be recruiting direct admits and potential students for FCAT academic units. This change will meet the minimum requirements for the School of Communication and the School of Contemporary Arts. In addition, this change would match the admission requirements for the Faculty of Arts and Social Sciences as well as the Faculty of Education. Note, this change directly applies to students who have not selected a major (students classified as BACHC). Direct admits to respective units must meet the admission requirements specified by the unit in addition to TechOne admission requirements.
