Dig Greece - Humanities (Kefalonia, Greece), 20 participants led by Dr. Geoffrey Schmalz.

5 Student Exchange

As of 2011, outbound student exchange term numbers are reported for the Calendar Year (Spring, Summer, Fall) instead of the Academic Year (Fall, Spring, Summer). As a result, the Fall 2010 term is not captured in the 2009/10 academic year, nor the 2011 calendar year, and so the data is included as an addition to the 2011 report. In the Fall 2010 term, **110** student exchange terms were completed.

For the 2011 calendar year, SFU International received **331** applications to participate in the University's bilateral and multilateral exchange programs (an **increase of 7%** from 309 applications in the 2009/10 academic year)

Of the **331** applications, **21% (71)** were incomplete or were not approved (compared with 22% (69) in the 2009/10 academic year). SFU International selected **79% (260)** out of the **331** to participate (compared with 78% (240) out of 309) in the 2009/10 academic year).

Of the applications selected, **83% (216)** resulted in completed exchange terms (compared with 83% (199) out of 240) in the 2009/10 academic year, and **17% (44)** cancelled (compared with 13% (41) in the 2009/10 academic year).

The number of applications received in 2011 that resulted in completed exchange terms in the 2011 calendar year decreased by **-11.8%** over the 2009/10 academic year (245 to **216**). In addition to the 2011 numbers, 18 students who were nominated for exchange during the 2009/10 year (and were already captured in that year's application numbers) continued or deferred their exchange term(s) into the 2011 calendar year. Thus, in total, **234** exchange terms were completed in the 2011 calendar year a decrease of **-4.5%** from the 2009/10 academic year (245 to **234**). Finally, as noted earlier, in addition to the above numbers 110 student exchange terms were completed in the Fall 2010 term.

6. International Co-op Program

SFU students completed 140 co-op work practicums in 27 countries through the Co-op Program.

**SABRO refers to inbound Study Abroad students who attend SFU for 1 to 3 terms of study under the terms of a formal agreement with another institution. Students pay international, or in special circumstances domestic, tuition rates.
