KEITH BEEDIE CHAIR IN INNOVATION AND ENTREPRENEURSHIP ENDOWMENT FUND

Terms of Reference

The Keith Beedie Chair in Innovation and Entrepreneurship Endowment Fund was established in 2012 with \$3 million of the historic \$22 million donation to SFU Business from the Beedie family, led by Ryan and Keith Beedie. The endowment fund supports the Keith Beedie Chair in Innovation and Entrepreneurship in the Beedie School of Business.

The Donors

Ryan and Keith Beedie donated \$22 million to Ryan's alma mater, SFU Business, which will now be named the Beedie School of Business. The Beedie Family donation is the largest gift that Simon Fraser University has ever received. Born and raised in Burnaby BC, Ryan Beedie earned his BBA in 1991 at SFU and his MBA in 1993 at UBC. In 1992, he joined his family's industrial real estate development firm. Under Ryan's direction, the firm has grown to be the largest landlord of industrial space in British Columbia.

Purpose of the Chair

The Keith Beedie Chair in Innovation and Entrepreneurship provides excellence in research and teaching in the fields of entrepreneurship and/or innovation at the Beedie School of Business. Income from the fund will be used to pay the salary, benefits and related research expenses for the Chair.

Fund Administration

The endowment fund will be held by Simon Fraser University. The administrator of the fund will be the Vice President, Academic. The annual spending allocation of the fund, defined in SFU's Endowment Management Policy GP20, will be used each year to support the activities of the Chair.

In the event that circumstances make the specified use of the endowment fund no longer practicable or desirable, the Board of Governors of Simon Fraser University is hereby authorized to make any changes it may deem necessary in the terms or use of the endowment fund, such changes, however, to be in keeping as far as possible with the original spirit and general interest of the endowment fund.

Appointment

The appointment will be for a five (5) year renewable term. The appointment and any renewal will be concluded in accordance with applicable University policies.

Reporting

The Beedie School of Business will provide an annual report to the donor on the activities of the Chairholder.
