MEMORANDUM

To: Jo Hinchliffe
Senate Committee on
Undergraduate Studies

From: Andrew Gemino, Chair
Beedie School of Business
UG Curriculum Committee

Date: July 19th, 2013

Subject: Material for next SCUS meeting

The Undergraduate Curriculum Committee in the Beedie School of Business approved:

- 1) Fall 2014 Calendar Change: Calendar Language: BTM Certificate

Would you please place this item on the August 1st, 2013 Senate Committee on Undergraduate Studies agenda?

Sincerely,

Andrew Gemino
Associate Dean
Beedie School of Business

Calendar Change, Undergraduate Department, Beedie School of Business

Effective: Fall 2014 Calendar

Summary of Changes:

- Clarification of which courses have a choice between two options
- Addition of experiential component to the Certificate in Business Technology Management

Rationale:

The addition of an experiential component as part of the certificate's requirements will ensure that students undertaking this certificate have a practical component to the certificate, which will better enhance the experience gained by completing the certificate.

The following programs will be affected by these changes:

- Certificate in Business Technology Management

and completion of one of the following approved experiential or service learning components.

- ***Experience in a volunteer, internship or other non-co-op work role related to Business and Technology. Prior approval from one of the Undergraduate Academic Directors in the Beedie School of Business is required through submission of a detailed outline of the activities that will be undertaken. Upon completion of these activities, students must submit a detailed outline of the activities undertaken to the Undergraduate Academic Directors in the Beedie School of Business for final approval.***
- ***Successful completion of at least one Co-operative Education (Co-op) work term with a focus related to Business and Technology. Prior approval from one of the Undergraduate Academic Directors in the Beedie School of Business is required. Upon completion of the Co-op work term, final approval will awarded by one of the Undergraduate Academic Directors in the Beedie School of Business after reviewing the final work report and supervisor evaluation. Co-op should be declared within or prior to the first term of entry into the Business Technology Management Certificate Program, and not later than 90 credits. Students who choose to satisfy the experiential learning component through Co-op will also need to plan for completion of either Co-Op certification (3 work terms) or degree designation (4 or more work terms). For more information on Co-op please see the Business Co-operative Education section***
