Program Dissolution Process

REQUEST FOR EXPEDITED PROCESS

1. Program to be discontinued: Early Learning Specialization. This Specialization was only approved as a component of the BGS (Education).
2. Location: Burnaby and Surrey
3. This Specialization was offered by the Faculty of Education.
4. Anticipated final dissolution date: summer 2014
5. Reasons for discontinuance and dissolution of the program:
 - a. There is virtually no demand for this program. There have been no students enrolled in the past 5 years.
 - b. There is a successful alternative program running for students: Early Learning Minor – currently there are 75 students enrolled from Education and 40 students enrolled from Arts.
6. Plan for phasing out of program:
 - a. The Undergraduate Programs Committee and the Executive Committee have approved the dissolution. A notice of dissolution will be included on the information materials and website.
 - b. The cognate faculty member has approved this process.
 - c. No courses will be deleted, nor any faculty teaching positions eliminated as a result of the dissolution of this program.
 - d. Since there has been no demand for this program there will be no impact on resources, teaching assignments or departments. The Minor in Early Learning will continue to be offered to meet the demands of the students.
 - e. Once the program dissolution has been approved by SCUS, a notation can be placed in the SFU calendar. The Faculty of Education program information website and printed brochures will be updated to reflect the date of dissolution.
