Dear Mario,

As you know, some time ago the university changed the official designation of research centres which have members that span more than one faculty and report to you. They are now called research institutes. The Canadian Centre for Studies in Publishing (CCSP) is one such institute.

I have canvassed members of the CCSP and we have agreed that it would be wise to change our name to the Canadian Institute for Studies in Publishing (CISP). Could you please take this request forward for approval? Thank you very much.

Yours sincerely,

**Rowland
