RE: **BUS 427 – Financial Statement Analysis Prerequisite Change**
DATE November 19, 2014

The Beedie School of Business proposes the revision of the prerequisites for BUS 427 – Financial Statement Analysis. Specifically, that BUS 321 – Financial Accounting, become a corequisite instead of a prerequisite. This change is to better support the progression and options available to Beedie students pursuing the Accounting concentration. This change will allow students to move forward at a more timely rate within the Accounting concentration, as well as their overall degree.
