RE:	BC High School Applicants – Faculty Course Lists		

For information:

MEMORANDUM

ATTENTION	SCUS	DATE	December 6, 2017
FROM	Rummana Khan Hemani Registrar & Executive Director, Student Enrollment		
RE:	Proposed List A and B Grade 11 & 12 Courses For BC High School Applicants		

I. Proposed Motion for SCUS

That the Senate Committee on Undergraduate Studies approve, under delegated authority, the Grade 11 and 12 List A and B courses for each Faculty.

II. Background

As part of the proposed changes to the BC high school admission requirements, which will come into effect in two stages, Fall 2019 and Fall 2020, the Faculties have established List A and B Grade 11 and 12 courses for the programs to which they admit. These lists are comprised of courses that have previously been approved for admission. Faculties individually determined the placement of courses in either List A or B based on their chosen criteria. For all Faculties, English 12 is in List A and Grade 11 courses are in List B.

III. Faculty-Specific List A and B Courses

Refer to Appendix I.
