RE: Adding course-based option to Masters of Publishing

Dear Colleagues,

Publishing Program

Simon Fraser University
515 West Hastings Street
Vancouver, BC
V6B 5K3

<http://publishing.sfu.ca>

Attached is a course deletion form to remove *PUB 897 Internship Project Report (Completion)*. The course served as a continuation of *PUB898 Internship Project Report Supervision and Evaluation*. Having separate courses for continuations is no longer considered a good practice, and students going forward will be able to register in separate section of PUB898, should they require additional time to complete their report. Please include this deletion on the next SGSC agenda.

Graduate Course Deletion

A course can be deleted if it has not been offered in the previous seven years or if there is no chance of it being offered again. Once a course has been deleted for a minimum of 10 years, the course subject and number can be re-used.

Course Subject/Number PUB897	Units 6
Course Title Internship Project Report (Completion)	
Reason for Deletion The course was a continuation of PUB898 (Internship Project Report Supervision and Evaluation). Instead of having a separate continuation course, practice will change to creating a new section in PUB898 (e.g., G300) for students still needing to complete.	
Effective Term and Year: Spring 2021
