

SENATE SUMMARY MEETING OF JANUARY 6, 2025

1. Report of the Chair

The Chair reported that in the face of ongoing fiscal challenges, members of the executive team are continuing to make government advocacy a priority. New changes announced by IRCC on November 15th stated that *international students must apply and be approved for a new study permit before changing learning institutions*. This announcement is concerning given B.C.'s robust college transfer program and SFU's close relationship with Fraser International College (FIC). In particular, it impacts students planning to transfer from FIC to SFU in January 2025. In the wake of this announcement, SFU successfully advocated for protections that minimize the impact of these changes for international students transferring to SFU for the spring term. On December 11th, IRCC issued a policy update to provide a grace period that allows students to continue their studies while the federal government is processing updated study permits. At SFU's request, the Greater Vancouver Board of Trade and Business Council of B.C. joined SFU's sectoral advocacy efforts and issued public letters to the immigration minister.

The Chair reported that she, in her role as President, along with the Provost, traveled to India in December to rekindle partnerships and provide reassurances that Canada is still open and that SFU will be welcoming international students from India. The President presented at a Times Higher Education Conference on Innovation and also met with a number of university partners, including the Indian Institutes of Technology.

The Chair reported that in recent months, there has been an increase in discussion among the SFU community about campus safety. The Campus Public Safety (CPS) team has been active on this file, which also surfaces important questions about SFU's community's approach to the topics of homelessness, mental health and substance use, and campus access. In December, Chief Safety and Risk Officer Galib Bhayani shared a message with the SFU community outlining new safety measures that have been undertaken in the past year, as well as sharing resources and reminders about our SFU Safe App and how to reach out to CPS for support. CPS continues to respond to all reported safety incidents, work with local authorities when necessary and provide support to community members impacted.

2. Revision to Academic Dates – Summer 2025 Convocation Dates (S.25-1)

Senate approved the revised schedule of academic dates for the Summer 2025 term by adding one additional ceremony on the afternoon of Monday, June 9, 2025 to the June/Spring 2025 convocation ceremony. Spring 2025 Convocation will now run from June 9th to June 13th, 2025.
