Proposal to suspend admissions to a program

NOTE: Suspension of admissions to a program does not result in the termination of a program. After a program has been suspended for at least two semesters, an academic unit follows the process to terminate the program. Or, if no students are currently enrolled in the program, academic units can consider the fast track option.

1. All impacted credentials, levels and categories of the degree, and specific discipline or field of study

French Studies Extended Minor

2. Location of the program

Department of French

3. Faculty(ies), Department(s), or School(s) offering the program

FASS

4. Proposed date for suspension

Fall 2025

5. Reasons for suspension of admissions, such as:

FREN has undergone a significant curricular reform, making our new Major and Minor programs more accessible and flexible to our students. In addition, the extended program has seen little if no enrollment in 8 months. As such, we have decided to close the program.

6. Plan for suspension, including:

- a) Steps taken to consult with students

The department advisor will be contacting the remaining students in the program, whom should all be graduating within the next 4 terms (although some might have finished the Extended Minor, their Major might still not be complete).

- b) Steps taken to consult with impacted instructors and staff

Suspension was approved by the UG Curriculum committee on July 31, 2024. The information was conveyed to the department members at the department meeting on August 21, 2024.

- c) Steps taken to ensure students in the program have the opportunity to complete the program

The remaining students will be "grandfathered" into the old Extended Minor while those preferring the flexibility of the new Minor will be transferred to the new program.

- d) Confirmation of consultation with other impacted departments and faculties

7. Draft Calendar entry detailing suspension of admissions to the program

The Department of French is suspending admissions to its Extended Minor Program effective September 2025. Please contact the Department advisor for information about our Minor and Major programs.

8. Name, title, phone number and email address of the institutional contact person in case more information is required (normally, the Dean of the Faculty in which the program is housed).
