RE:	Deferral of the External Review of the School of Public Policy		

Please be advised that the scheduled external review of the School of Public Policy within the Faculty of Arts and Social Sciences has been deferred. Due to unforeseen circumstances, the review process is being delayed until fall 2026.

The site visit for the external review was scheduled for October 6 – 7, 2025. A new site visit date will be discussed and communicated in due course.

The last external review of the School of Public Policy was conducted in the 2015/16 academic year.

The Provost's Office and Dean of the Faculty will also be working together in the coming months to explore options to ensure the sustainability of the School's programming, including consideration of staff and faculty resources, and organizational structure.

cc Laurel Weldon, Dean, Faculty of Arts and Social Sciences
