

SIMON FRASER UNIVERSITY  
ENGAGING THE WORLD

## SENATE SUMMARY MEETING OF MAY 20, 2025

### 1. **Report of the Chair**

The Chair reported that Dr. Marvin Washington will join SFU as Dean of the Beedie School of Business starting October 1, 2025. Dr. Washington is currently the College Dean and Vice-Provost for the College of Social Sciences and Humanities at the University of Alberta, where he oversees the faculties of Arts, Education, Business and Law.

The Chair reported that following federal election, SFU's Government Relations team is conducting a number of outreach activities to connect with new and returning MPs and Cabinet Ministers, as well as to determine how SFU can continue to best advocate for the post-secondary sector under a federal Liberal minority government. It was added that the Chair, in her role as President, is headed to Victoria for meetings with MLAs later this month, and trips to Victoria and Ottawa are being planned for the fall.

On the subject of consultation and the Faculty and Staff Dashboard, the Chair reminded Senate that the Dashboard contains a section for engagements and consultations. For example, there are currently ongoing policy reviews for GP40 - Disability Accommodation in the Workplace, GP47 - Bullying and Harassment Policy, and GP18 - Human Rights Policy. Senators are encouraged to get involved and share their thoughts to help shape policy and governance.

The Chair reported that SFU International, Institutional Strategic Awards and Research Services launched a Horizon Europe Engagement Fund (HEEF) to support SFU researchers seeking to establish and/or join consortium towards the submission of a Horizon Europe application. This is part of a broader strategy to promote SFU participation in Horizon Europe, Europe's largest and best resources research funding program. There are 24 researchers in the pipeline so far and four have received HEEF funding.

The Chair reported that a number of Senators were in attendance at the opening of Fire Station 8 on Burnaby Mountain last month. The opening highlights the partnership between SFU and the City of Burnaby, and is supported by \$30 million in federal funding.

The Chair reminded Senate that Convocation is coming up at the beginning of June. Senators were encouraged to either volunteer or spread the word to enlist volunteers.
