SFU Woodward’s Loading Bay Access – 149 West Hastings Street

The loading bay stall needs to be reserved in advance. Please ensure this has been arranged.

Access directions:

• Approach eastbound on Cordova Street.
• After passing Cambie Street, there is a laneway turnoff to the right (just past the Cambie bar).
• At the end of the laneway will be an open gate.
• Drive through the gate and follow the ramp down one level and through another gate.
• At the end of the ramp there will be a parking area to your left with a large SFU logo on the wall.
• Park in the stall marked with the SFU logo as opposed to the one beside it closer to the door.

The inner gate is open M-F 6am-6pm, Sa 6am-4pm, and is closed Su. Any access outside of these hours requires a key fob available from SFU’s 24hr security desk. The outer gate is open every day 6am-9pm and can be opened by the same fob.

Maximum height for a vehicle in the loading bay is 14’ 8”.

Dimensions of doors between loading bay and interior of building are 92” wide x 94” high.

The stall is outfitted with an 8’ deep x 5’ wide lift gate that can go to a max height of 5’.
