Residence Student Staff Appointment and Placement Guidelines

Priority for appointment or reappointment as a Residence Student Staff member is in accordance with the Letter of Understanding – Residence and Housing Proposal.

In allocating Residence Student Staff member positions, the Department of Residence and Housing will take into account the following:

- Residence Student Staff member’s years of service
- Residence Student Staff member placement requests
- Suitability for residence community/building (e.g. student demographics, community need, etc.)
- Employee evaluations
- Adherence to Residence and Housing License Agreement/Residence Contract
