

ENDOWMENT SUPPORTERS

VIRTUAL RECEPTION | FEBRUARY 16

Dear ,

Thank you for empowering our community through your thoughtful investment. We are delighted to invite you and a guest to attend SFU's Endowment Supporters Virtual Reception. Due to the changing situation with COVID-19 and the Omicron variant, this will be an exclusively online event.

Please join us for an SFU Endowment performance update and hear more about how the endowment—and the people it supports—are contributing to a sustainable and resilient society. Panelists include Tammara Soma, Assistant Professor, SFU School of Resource and Environmental Management, and Research Director of the Food Systems Lab; Farina Fassihi, SFU Master of Urban Studies student; and Ian and Yvonne Reddy, SFU alumni and endowment supporters; with Dugan O'Neil, Vice-President, Research & International as moderator.
