Delivered under the direction of Simon Fraser University, the Alaska Highway Consortium on Teacher Education (AHCOTE) program has been operating at Northern Lights College for over twenty-seven years.

The AHCOTE program invites applications from experienced teachers interested in an appointment as a Coordinator and/or Faculty Associate for the next student cohort, beginning September 2018.

• **The Coordinator** will hold a full-time (1.0) appointment split between a half-time (0.5) Coordinator and a half-time (0.5) Faculty Associate throughout the duration of the program, from September 2018 until December 2019, with a two-week orientation period in August 2018. The Coordinator plays an advisory role for the Faculty Associate, providing support and consultation on a variety of program matters, including student performance. In consultation with the Faculty Associate, the Coordinator is also responsible for arranging student practicum placements within the school districts and for liaison that will enhance the students’ exposure to professional expertise within the school districts. Coordinators visit area schools regularly, developing supportive relationships with teachers and School Associates.

• **The Faculty Associate** will hold a full-time (1.0) appointment throughout the duration of the program, from September 2018 until December 2019, with a two-week orientation period in August 2018. The Faculty Associate works collaboratively with the Coordinator and is primarily responsible for student instruction and supervision.

Candidates should note that the selection process for all AHCOTE positions is highly competitive. The Faculty of Education welcomes applicants from a variety of backgrounds that reflect the diversity of Canadian society. Selection of candidates is based on the following criteria:

- demonstrated ability to work as a member of a team
- willingness to examine and refine one's practice
- curriculum and instructional needs of the program
- normally five years of demonstrated excellence in public school teaching
- sensitivity to equity issues
- work experience with adult learners (recommended)
- previous School Associate experience (recommended)
- experience with computer technology (recommended)
