Research Participants Needed

This research is led by Dr. Phil Winne (Faculty of Education).

**Participation Activities**
Explore a scientific simulation and respond to questions about the simulation

**Eligibility to Participate**
Undergraduate students who are NOT majoring in Physics

**Time Commitment**
You will participate in a 2-hour long session.

**Location**
Research takes place on Zoom.

**Application Duration**
Feb 1, 2022 to July 30, 2022

**Compensation**
Participants are paid $30 upon completion of the session.

**Voluntary Participation**
Your decision to participate in the study will not influence your grades.

**Sign Up (after reading the consent form)**
