

# VIRTUAL NATO FIELD SCHOOL AND SIMULATION PROGRAM

- Check out the Virtual NATO Field School and Simulation Program running from May through August 2021.
- Do you want to experience a field school even in times of COVID-19 restrictions?
- Do you want to earn academic credits and engage with policy makers and practitioners in diplomacy, security, defence, and multilateral affairs?
- You will go on virtual site visits in North America and Europe.
- You will engage in real-time Q & A sessions with officials and practitioners, who will also train you in real-time and mentor simulations.
