### **Teaching Assistant/Marker Appointment Priorities**

Priority for appointment/reappointment as a Teaching Assistant is in accordance with Article 13 of the Collective Agreement with the Teaching Support Staff Union (TSSU).

In allocating Teaching Assistant/Marker positions, the Program will take into account the following priorities:

- Applicant's preferences;
- Instructor requests;
- Amount of financial support offered on admission to the graduate program;
- Sufficient knowledge in the discipline of the course to interpret the course material;
- Employment evaluations;
- Number of base units already received to ensure sufficient teaching-related experience in his/her field of study.

If an assignment within a priority group requires a selection between applicants, the graduate student without financial support from merit based scholarships or merit based fellowships during the semester of appointment with a value equal to at least a 5.17 appointment, will have priority for the appointment.
