

EASC Vehicle Budgeting for Course Use

October 7, 2024 (effective January 1, 2025)

Vehicle budgeting for course use:

Bus: $(0.24\text{L/km} \times \text{current } \$/\text{L}) + \$0.20/\text{km}$ or assuming $\$2.00/\text{L}$ use $\$0.68/\text{km}$

Trucks: $(0.20\text{L/km} \times \text{current } \$/\text{L}) + \$0.20/\text{km}$ or assuming $\$2.00/\text{L}$ use $\$0.60/\text{km}$

EASC Vehicle Charges for Research Use:

For research use (internal):

$\$0.40/\text{km}$ (min. charge $\$50/\text{day}$ for bookings 3 days or greater) + user pays fuel and all consumables (e.g. washer fluid, oil, etc)

For external (non-EASC) use:

Dependent on availability – EASC has priority use

$\$0.50/\text{km}$ (min. charge $\$70/\text{day}$) + user pays fuel and all consumables (e.g. washer fluid, oil, etc)
