Registration Information for BC Earth Science Articulation Committee Annual Meeting, May 14-16, 2007

Tentative schedule

Monday, May 14:

8am-4pm: Business meeting, rm. 330A EOS Main (includes catered lunch, morning and afternoon coffee breaks, museum tour, guest lecture, and tour of Pacific Centre for Isotopic and Geochemical Research labs)

Adjournment to Mahony & Sons Pub (on campus) for libations and dinner (cost not included in registration fee)

Tuesday, May 15: (note: both field trips begin/end at EOS Main loading dock)

Field trip to Harrison Lake area, 8am-approx. 5pm, lead by Dr. Paul Smith

Optional group dinner

Wednesday, May 16:

Field trip to Boundary Bay, 8am-approx 2pm, lead by Dr. Steve Phillips

To help us make meeting and field trip arrangements, please register by March 30th using the following form. Field trip space may be available after that date but it is not guaranteed.

Travel

UBC is located on Point Grey in the western part of Vancouver, approximately a 25 minute drive from Vancouver International Airport and a 20 minute drive from downtown Vancouver. Participants are responsible for arranging their own travel to and from the meeting.

Accommodations

Reasonably-priced housing is available on campus during this meeting and will likely be the first choice of many out-of town attendees; please contact UBC Conference Accommodations directly (see attached information sheet). A wide variety of commercial accommodation space is available in Vancouver; visit www.tourismvancouver.com for suggestions and booking information. Alternatively, some of the Vancouver members of this committee may be willing to billet out-of-town members, assuming that appropriate bribes are offered.

Parking

There are several options for parking on campus (see <http://www.parking.ubc.ca> for details). The West Parkade is closest to EOS Main (1 minute walk), and the North Parkade is next to the on-campus housing at Gage Residences (10 minute walk). A Pacific Spirit Regional Park parking lot (5 minute walk) on the ocean-side of Northwest Marine Drive (opposite the intersection with Agronomy Road, at UBC Campus Gate 7) is cheaper (\$5/day) but vehicles cannot be left there overnight.
