

To graduate with a degree in MBB: A student must complete a minimum of 44 upper division credit hours with a total of 120 credit hours (upper and lower division). **Prerequisite Grade:** For a course to be accepted as fulfilling a prerequisite for any upper division MBB course, a student must have obtained a minimum grade of C. Acceptance into and continuation in the major requires a minimum cumulative grade point average (CGPA) of 2.5 upon completion of the lower division core courses (not including the CMPT courses). Fall 2011.
