

Expression of Interest (EOI)

EOI Purpose: *This form is to be used by researchers who wish to apply to the CBRF-BRIF Stage 2 competition. The EOI provides an overview of a potential proposal and allows Hubs to coordinate projects within and across the Hub(s).*

II. Research Proposal Outline (max 1000 words)

- **Background and context of the project**
- **Project objectives**
- **Approach (methodology, etc.)**
- **Existing resources and infrastructure the project builds upon**
- **Expected outcomes**

Talent development program (if applicable), provide a short description (max 250 words)

Requested Infrastructure (if applicable), provide a short description of key equipment, lab facilities, tools, existing space adaptations, new space required and their proposed location (max 250 words)

III. List up to 10 Core Team members

(It is highly encouraged to integrate [Early Career Research \(ECR\)](#) and [EDI considerations](#) in the composition of the project team)

Name	Title	Organization	Role in the project

IV. Partnership Details (Organizations contributing or collaborating on the proposal) (max 250 words)

Indicate all academic partner organizations (Canadian and international) and briefly indicate the nature of the partnership

Indicate all non-academic partner organizations and briefly specify the name, type of organization (e.g., Not-for-profit, industry, government agencies, indigenous community, etc.) and indicate the nature of the partnership

V. Project Budget Estimate and Leveraged Funds (250 words)

	Requested from CBRF	Requested from BRIF	Other sources (cash or in-kind)
Research		NOT APPLICABLE	
Training		NOT APPLICABLE	
Infrastructure	NOT APPLICABLE		
Total Estimated Request			
Total Project Budget			

Provide a short description of the cash or in-kind contributions from other sources (250 words)

*BRIF: Indicate the portion requested from CFI-BRIF >\$1M total cost of infrastructure. CFI will fund up to 60%; matching 40% is required from other sources.

VI. Declaration

I agree that this EOI will be shared with the CBRF Hubs.
