<p><b>please answer the questions as well.</b></p>	

---

Please answer the following questions as "Yes" or "No". If you chose "Employment", please provide a brief description of the employment.

**Q2.a:** Does/Will the funding from your grant(s) result in research or research-related activities being performed by the student that primarily contribute to the student's academic progress, for example by inclusion in the student's thesis?

yes

yes

---

ent" there is no need to answer the questions below.

**Q2.b:** Does/Will the funding from your grant(s) result in research or research-related activities being performed by the student that primarily contribute to or benefit someone other than the student, for example by supporting your research program or the grant?

no

no

---

**Q2.c:** Does/Will the funding from your grant(s) result in research or research-related activities being performed by the student that are not meant to be included in the student's thesis?

no

no

A large yellow rectangular box is positioned at the bottom of the question area, likely redacting a portion of the response.

no

---

**Q2.d:** Does/Will the funding from your grant(s) result in research or research-related activities being performed by the student that are not meant to part of the student's education in the student's academic discipline?

no

no

---

**Q3.a:** As part of your interaction with the student who is receiving the scholarship, do you/will you ask the student to perform research or research-related activities at specific times or places?

no

no

---

**Q3.b:** As part of your interaction with the student who is receiving the scholarship, do you/will you require the student to track and/or report the hours during which the student is performing research or research-related activities?

no

no

---

**Q3.c:** As part of your interaction with the student who is receiving the scholarship, do you/will you ask or expect the student to perform a specified amount of research or research-related activities in a given week ?

no

no

---

**Q3.d:** As part of your interaction with the student who is receiving the scholarship, do you/will you ask the student to discuss with you on a regular basis their research and/or research related activities for any reason other than supporting the student's academic progress?

no

no

**Q3.e:** As part of your interaction with the student who is receiving the scholarship, do you/will you ask the student to train or otherwise support other researchers in your research group for any reason other than supporting the student's academic progress?

**Add any important notes below.**
