

First Homework Assignment for Math 308

Due: Thursday, January 17th.

All section references are to the Strayer text.

Problems to hand in:

Chapter 1 exercises 1, 2 b., 3 d., 3 j., 5, 8.

Some other problems you should try:

The remaining questions from Chapter 1 are fairly similar to those assigned for handing in. You should try these problems until you are comfortable solving them.

Reading for this week:

If you haven't already, please read the Introduction.

For Thursday, January 10th, Sections 1.1 through 1.4.

For Tuesday, January 15th, Sections 1.5 and 1.6.

For Thursday, January 17th, Sections 2.0 through 2.2.
